

Channelaire Chorus Fund

Did you know? Many Sweet Adeline choruses struggle with finding affordable and suitable space for their weekly rehearsals! It wasn't that long ago that Channelaire faced that exact challenge and was forced to rely on the goodwill of local retail shopping centers, churches and public entities to accommodate us. Ours was a nomadic existence, having to pack up and move from church to storefront with very little advance notice.

Then one day, we began to dream a bigger dream!

Today, we are thrilled to have established the Channelaire Chorus Fund at the Ventura County Community Foundation (a local non-profit that serves as money manager for many Ventura County charities). Channelaire Chorus Fund's primary goal is to raise a down payment for the purchase of a permanent rehearsal hall on behalf of the chorus.

Its secondary goal (for excess funds after a down payment has been made) is to provide scholarships to deserving Ventura County women who are unable to join the chorus because of financial constraints.

Although having a permanent home is just one of Channelaire's long-term goals, (along with winning International Gold someday!) we knew we needed to take action. The Channelaire Chorus Fund is our first serious attempt to make our dream a reality.

We thank you for supporting our efforts! We hope that you, our families and fans, will agree that the goals established for the Channelaire Chorus Fund at the Ventura County Community Foundation are worthy of your contributions. If so, please make your check payable to:
